Sir:

It is requested that this response replace the previous response. This communication is supplemental to the response filed October 30, 2003 which was responsive to the final rejection dated January 31, 2003, and the Advisory Action dated September 11, 2003 concerning the above-referenced patent application. This supplemental amendment corrects a typographical error in the listing of the claims, which has been corrected to recite that Claims 1-74 are canceled. Additional typographical revisions and further amendments to claims 75, 80, 83, 88, 93 and 96 were made and to add reference to Germain, the publication that was not submitted with the October 30, 2003 submission, to the response.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2 of this document.

**Remarks/Arguments** begin on page 7 of this document.

Please amend the application as follows:
